If you are looking for new business opportunities, with this solution you will have a well-established business with excellent turnover. The restaurant is located in a very busy transit area with ample parking space.

Inside, the premises have been completely renovated in a modern style with large bright spaces.

The venue is divided into a central area with seats, display cases and bar counter, a kitchen area equipped with everything you need, a dressing area with

toilet and shower, a warehouse and 3 toilets open to the public with anteroom.

The price includes all the complete equipment to carry out the activity consisting of:

Counter fridge, professional oven, deep fryer, ice cream machine, two vertical cold rooms, hood year 2020.

In addition, the restaurant is equipped with an alarm system with internal and external video surveillance and with new automatic shutters.

For those interested, we also assist in the request for micro credit. Call Now for more information!
